## 13-17 June 2022 – Maribor - Slovenia - Five-Day Workshop LTTA (LEARNING, TEACHING, TRAINING ACTIVITY)

## E-STEPS

### E-STEPS workshop – more than learning

A five-day workshop (LTTA) was designed for the representatives of partner organizations with the aim to exchange good practices and experiences in the field of vocational education, and to develop good partnership cooperation already at the stage of project implementation that will sustain also after its completion.

The workshop programme included the presentations of each of the courses introduced in the E-steps Platform (Managing your Mental Health, Career Path Management, Self-Reflection, Building Relationships and Networking and Emotional Intelligence).

The event included also study visits of the relevant institutions in the field, giving them the opportu-

In Newsletter 2, the E-STEPS INNOVATIVE E-LEARNING PLATFORM has been presented which is the basis for the implementation of the planned workshops for students and teachers.

#### The workshop provides students with:

1. The teaching process in a modern, most convenient and student-oriented way (online platform, e.g., in the form of a mobile application).
2. Target group appropriate knowledge and skills related to the labour market and soft skills necessary for a very good functioning in it and consciously managing your own professional career.
3. Organizing a learning space with high-quality, innovative materials prepared by experts in the field of competences related to the labour market.
4. Element of peer gamification.
5. A space for building peer contacts and strengthening self-esteem.
6. Inspiration to build a professional image and manage your own professional career.

LTTA event, Maribor, 13-17 June 2022.

The main aim of the workshop was to strengthen the partnership and prepare employees of partner organizations to work in international groups, especially for cooperation after the end of the project - to continue with dissemination activities and support the development of the platform and all products that will be created in the project.

nity to present their work as well as some best practices, success stories, useful methodologies.

The last day focused on the development of an action plan for the near and distant future: moderated debate with special guests invited by the workshop organizer on the possibilities for developing the partnership, undertaking further joint international activities, etc.

**As for the teachers, the workshop provides them with:**

1. A ready, innovative tool in the form of scenarios for educational classes, workshops in the areas of improved competences.
2. A space to work with high-class, innovative materials prepared by experts in the field of soft skills related to the labour market.
3. A space for exchanging views and knowledge about the labour market.
4. Inspiration for everyday professional activities.
5. Building relationships and strengthening ties with students.

## ELEMENT OF PEER GAMIFICATION

- Students were invited to the final competition, to create a form in English on the subject of the project and the impact of the project on their future career. Possible forms:

- video (no longer than one minute);
- texts (no longer than 100 words);
- graphics (A4 format or smaller) can be prepared in the form of a hand-made leaflet or with the help of a computer (e.g., in the CANVA program).

50 works will be chosen (10 in each country) and their authors invited to conferences to disseminate the results.

## NEXT STEPS:

**Forthcoming workshops, LTTA, multiplier events, future intellectual outcomes and more.**
